

REMARKS

The Examiner has objected to Claim 38 due to informalities. Applicant respectfully asserts that such objection is deemed avoided in view of the amendments made to such claim, as suggested by the Examiner.

The Examiner is thanked for the allowable subject matter of Claim 60. The Examiner has objected to Claim 60 as being dependent upon a rejected base claim. Applicant notes that each of the independent claims have been amended to at least substantially include the subject matter of Claim 60.

Thus, all of the independent claims are deemed allowable. Moreover, the remaining dependent claims are further deemed allowable, in view of their dependence on such independent claims.

In the event a telephone conversation would expedite the prosecution of this application, the Examiner may reach the undersigned at (408) 505-5100. The Commissioner is authorized to charge any additional fees or credit any overpayment to Deposit Account No. 50-1351 (Order No. RMI1P034).

Respectfully submitted,
